

Fast Facts!

Name: _____

* Use with Factivation!® for
 Division, Lesson 1: Zeroes & Ones

$\frac{\bigcirc}{5 \overline{)0}}$	$\frac{\bigcirc}{1 \overline{)1}}$	$\frac{\bigcirc}{3 \overline{)0}}$	$\frac{\bigcirc}{1 \overline{)9}}$	$\frac{\bigcirc}{2 \overline{)0}}$
------------------------------------	------------------------------------	------------------------------------	------------------------------------	------------------------------------

$\frac{\bigcirc}{2 \overline{)2}}$	$\frac{\bigcirc}{9 \overline{)0}}$	$\frac{\bigcirc}{8 \overline{)8}}$	$\frac{\bigcirc}{1 \overline{)0}}$	$\frac{\bigcirc}{1 \overline{)3}}$
------------------------------------	------------------------------------	------------------------------------	------------------------------------	------------------------------------

CHALLENGE #1

Time: _____ seconds

$\frac{\bigcirc}{1 \overline{)7}}$	$\frac{\bigcirc}{1 \overline{)2}}$	$\frac{\bigcirc}{4 \overline{)0}}$	$\frac{\bigcirc}{5 \overline{)5}}$	$\frac{\bigcirc}{2 \overline{)0}}$
------------------------------------	------------------------------------	------------------------------------	------------------------------------	------------------------------------

$\frac{\bigcirc}{1 \overline{)4}}$	$\frac{\bigcirc}{3 \overline{)0}}$	$\frac{\bigcirc}{7 \overline{)0}}$	$\frac{\bigcirc}{6 \overline{)6}}$	$\frac{\bigcirc}{9 \overline{)0}}$
------------------------------------	------------------------------------	------------------------------------	------------------------------------	------------------------------------

CHALLENGE #2

Time: _____ seconds

$\frac{\bigcirc}{1 \overline{)8}}$	$\frac{\bigcirc}{9 \overline{)0}}$	$\frac{\bigcirc}{1 \overline{)6}}$	$\frac{\bigcirc}{2 \overline{)2}}$	$\frac{\bigcirc}{4 \overline{)0}}$
------------------------------------	------------------------------------	------------------------------------	------------------------------------	------------------------------------

$\frac{\bigcirc}{2 \overline{)0}}$	$\frac{\bigcirc}{8 \overline{)0}}$	$\frac{\bigcirc}{3 \overline{)3}}$	$\frac{\bigcirc}{9 \overline{)0}}$	$\frac{\bigcirc}{7 \overline{)7}}$
------------------------------------	------------------------------------	------------------------------------	------------------------------------	------------------------------------

CHALLENGE #3

Time: _____ seconds

$\frac{\bigcirc}{5 \overline{)0}}$	$\frac{\bigcirc}{1 \overline{)6}}$	$\frac{\bigcirc}{2 \overline{)0}}$	$\frac{\bigcirc}{1 \overline{)1}}$	$\frac{\bigcirc}{1 \overline{)9}}$
------------------------------------	------------------------------------	------------------------------------	------------------------------------	------------------------------------

$\frac{\bigcirc}{2 \overline{)2}}$	$\frac{\bigcirc}{3 \overline{)0}}$	$\frac{\bigcirc}{8 \overline{)0}}$	$\frac{\bigcirc}{4 \overline{)4}}$	$\frac{\bigcirc}{6 \overline{)0}}$
------------------------------------	------------------------------------	------------------------------------	------------------------------------	------------------------------------

CHALLENGE #4

Time: _____ seconds
