

Lesson 9 **CONNECTS** three facts to things you may already know. One of those **CONNECTIONS** is to the month of February. Answer the questions about February using the calendar to the right:

How many **WEEKS** are in February? _____
 How many **DAYS** are in each week? _____
 How many **TOTAL DAYS** are in the month? _____
 (exception: Leap Year)

Now, **CONNECT** that information to this fact:

February is the only month with **TWENTY-EIGHT** days.

There are **FOUR** weeks.
 Each week has **SEVEN** days.

$$4 \times 7 = 28$$
